ESCONDIDO --

Millard "Bud" Musselman passed away shortly before his 89th birthday on April 13, 2012 at Scripps Green Hospital in La Jolla. He was born May 2, 1923 in Liberty Center, Iowa.

His college education was interrupted by WWII and he joined the Army Air Corps and became a Navigator. He was stationed in Italy with the 15th Air Force, 460 Bomb Group.

After discharge from the service, he returned to the University to continue his education and there he met his college sweetheart and future wife, Emily Perry. He graduated in 1948 with a degree in Electrical Engineering.

He had lived briefly in San Diego before entering the service and decided to return to California to pursue his engineering career. In
