Last year's Founders' Reception was so much fun that attendees asked us how come we didn't do it every year. We thought that was a great idea!

We have made it an annual event and expanded our honoree list to all alumni who would have graduated 60 years or more from San Dieguito, and now we are inviting you!

Come back to school during Homecoming Week at old San Dieguito. Light refreshments will be served and tours of the campus provided. If you need transportation please let us know below.

We do not have a complete list of all our alumni, so if you know of someone who would like to go, but who did not receive an invitation, let them know they are invited, too, and ask them to call us.

Class representatives from classes that graduated 60 years or more ago are invited to make this annual event their official reunion. Please call (760) 753-1121 x5085 for more information.
