Whether or not you make it to the reunion, we thought it would be fun if we could get a few lines from each of you to share on what things you have done since graduation e.g., what you've done, what you're up to now, where you've lived, occupation(s), family, hobbies, a story, a current photo, a facebook link or whatever you think would be interesting. It shouldn't be too long. We will put it together in a computer document, so if you would like to contribute, email it to: **Betty Moore Larson** at sandieguitoclassof1957@gmail.com, and if email doesn't work for you, you can mail it to:

Betty Moore Larson 2393 Mira Sol Dr VISTA CA 92084
