Welcome, new and returning SDA music parents, to the 2011-2012 SDA Music Program. We have a great year planned for our music students, starting with our brand new Performing Arts Center! We'd like to invite you to support and/or join the SDA Music Council, part of the San Dieguito Academy Foundation. The Music Council:

- Creates & maintains an enthusiastic interest in all aspects of music at SDA.
- Provides financial, organizational, and moral support for the Music Program.
- Facilitates communication between students, teachers, and parents.
- Promotes music culture throughout the school and the community at large.
- Works to strengthen & improve the Music Program.
- Arranges events such as concerts, music trips, music festivals, and awards programs. Organizes Cabaret Night, our fabulous fundraising dinner & student-run show, in conjunction with the Theatre Arts Council
- Purchases instruments, sound & recording equipment, and sheet music. Pays for ongoing maintenance of instruments and equipment. Coordinates the purchase of concert attire & student-designed T-shirts.
- Is now the **sole source of funding** for the Artists-in-Residence, music coaches who provide regular small group coaching in our music classes. These music professionals have a wealth of knowledge and expertise. They provide our students with valuable sectional rehearsals, keen insights, and helpful playing tips. They are an essential part of our music team, and many decisions in our program are made with their input. The district can no longer fund this critical program for our students, so it is our goal to see that it continues this year.

We have jobs small and large, and probably one to fit your availability. If you are interested in helping, please complete and submit the attached Donation and Volunteer Form.

Donations ~ Although we already have some great fundraising programs underway, parent donations remain our primary source of funding. Please consider making a tax-deductible donation to the Music Council. All donations go directly to the Music Program. We have calculated that an average donation of **\$150 per student per term** will allow us to meet our budget for the year, as well as preserve the Artist-in-Residence program. You may make your donation with:

- A credit card or PayPal at the Music Council web page - you can even set up recurring monthly donations, sdafoundation.com/music/support/music-council-2/,
- A check made out to SDAF Music Council, along with the attached form, addressed to:

Thank you for supporting the SDA Music Program. Here's to another great year!
