

Theater Arts Council

2014-2015

Volunteer Opportunities

Our theater program has grown significantly over the past several years. Along with growth comes greater opportunities and greater demands. This year, we hope to get more parents involved so that we can provide even greater support to the staff and our kids. Without your support, we are not able to provide the funds and resources the Theater Department depends on in order to provide the highest quality experiences and education to your children. We do realize that lives are busy and already filled with so many other obligations. We offer various volunteer opportunities in hopes that one or more will appeal to you. We have a lot of fun and are inspired working together to support our talented theater kids.

In addition to the specific roles below, we also invite you to attend our monthly Theater Arts council Meetings. Your participation and input helps to guide the direction of our efforts. Our meetings are held on Tuesdays at 6:30 PM in the Conference Room. The following are the remaining 2014-2015 meeting dates: November 18th, December 16th, January 20th, February 24th, March 24th, April 28th & May 26th.

We hope to see you there.
