

On behalf of the San Dieguito Academy Foundation, welcome to the 2021-2022 school year!
We look forward to welcoming new and returning students back to campus this fall.

The San Dieguito Academy is a special place with amazing students and staff. However, it requires additional support to maintain the unique culture and wonderful programs.

There is a significant gap between state funding and what is needed to enrich your child's educational experience. Your contributions close that gap; please see the included information on the Mustang Fund. Your donations are not required, but your financial support helps further our tradition of excellence.

The SDA Foundation is a 501(c)(3) non-profit organization that supports the programs of San Dieguito High School Academy to enrich the SDA experience for every student.

In addition to a financial donation, I urge you to get involved. The SDA Community is strong and vibrant and is enriched by our volunteers. Please consider volunteering with the San Dieguito Academy Foundation.

Sincerely,

John Corcoran
