

SDA Foundation & SDHSA

2021-22 Shared Vision

Together, San Dieguito High School Academy and San Dieguito Academy Foundation have a Shared Vision for enriching every student's SDA experience in 2021-22.

Campus, Culture, and Student Connectedness: The Foundation will fund projects and programs that support school pride and SDHSA's unique culture including events, programs and activities related to campus pride, culture and connectedness.

Technology & Instructional Software: The Foundation will help expand or upgrade the school's classroom technology, provide students with equipment and tools, and integrate emerging technologies in the SDHSA learning environment.

The Mustang: The Foundation will continue to support *The Mustang* student newspaper by subsidizing program costs such as printing, competitions, and web services.

SDHSA Principal's Fund: The Foundation-supported principal's fund will allow for flexibility to finance needs consistent with the shared vision of SDAF and principal's vision.

Career Pathways: The Foundation will support Career Technical Education and SDHSA's Career Pathways goals by creating and enhancing programs that give students access to varied interest-based and career-specific programs and classes.

Academic Intervention & Curriculum Support: The Foundation will support the academic achievement of SDHSA students by funding activities such as tutoring, academic intervention programs, curricular enrichment and purchasing specific items that enrich opportunities in core and elective classes.
