On behalf of the San Dieguito Academy Foundation, welcome to the 2022-23 school year! The San Dieguito Academy is a special place with amazing students and staff. Your support is needed to maintain the unique culture and wonderful programs for our students.

There is a significant gap between state funding and what is needed to enrich your child's educational experience. Your contributions close the gap and help further our tradition of excellence in academics, athletics and the arts. We are striving for 100% participation from all families, no matter what level you can give.

Donations to the Mustang Fund support ALL SDA students. Recent examples include modernization of the outdoor amphitheater, writing lab resources for homework support and college applications, after school tutoring, senior scholarships, technology and supplies for classrooms, and new cardio equipment for the weight room.

Please see the reverse for more information. Your generous donations of time, money and involvement allow SDA to offer exceptional opportunities to all students.

Sincerely,

**John Corcoran**

President, SDA Foundation
