Welcome to the 2023-24 school year from the San Dieguito Academy Foundation!

The SDA Foundation raises funds and organizes volunteers to support all SDA students. Recent examples of SDA's generous donations at work include a sound system for the outdoor stage, the Writing Lab and after school tutoring, Student Forum project funding, Link Crew's 9th grade mentors, additional AEDs for campus, and outdoor bulletin boards and seating for students.

Please consider a contribution to the Mustang Fund for the 2023-24 school year to expand and enrich the student experience at SDA. Our goal is 100% participation from all families by September 30th. No matter what or how you can give, it will make a difference.

Please see the reverse for more information on how to donate and volunteer. Your generous donations of time and financial support allow SDA to offer exceptional opportunities to all students.

Sincerely,

John Corcoran

President, SDA Foundation
