

enriching the student experience

The SDA Foundation brings together Mustang families, alumni, and the local community to provide volunteers and financial resources in support of quality programs that enrich the lives of students every day at the San Dieguito High School Academy. By joining together, our efforts build a strong school community that celebrates our students' creativity, leadership, and excellence.

For the benefit of our Mustang family, we strive for SDA Foundation programs and activities to foster student connectedness and well-being and support student achievement of their goals inside and outside of the classroom. Each day during the school year, your contributions to the SDA Foundation provide instructional materials and supplies for students sculpting pottery, cooking delicacies, welding metals into designs, screen printing t-shirts, mastering science labs, writing essays, and so much more. After school, hundreds of SDA students take part in extracurricular activities supported by the SDA Foundation, including SDA's music, theater, robotics, speech and debate, and athletic programs.

On behalf of the SDA Foundation Board, thank you for contributing to the San Dieguito High School Academy community. We are so grateful for the hundreds of volunteers each year that give their time so generously to the SDA Foundation's programs and activities. We deeply appreciate the ongoing financial support of the local community and our Mustang families. Your presence and financial support make a tremendous difference in enriching the lives of our SDA students.

Sincerely,

Kate Kousser
SDAF Board President
